## Profile Summary

Detail-oriented and ambitious Computer Engineering graduate with a strong academic record (CGPA: 7.33). Proficient in manual testing and actively expanding skills in automation testing. Skilled in Java and Python programming languages, with hands-on experience in project development. I am passionate about delivering high-quality solutions and eager to leverage my technical expertise in a dynamic and innovative environment. I am excited to explore opportunities that will challenge me to grow, learn, and contribute my best to a forward-thinking organization.
